## ***“Tunes and techniques”***

**Tutor: Neil Warren**

### **Description**

in this workshop you'll learn to play a traditional tune on the harmonica, understanding how it fits onto the layout of the harmonica, what key you're playing in and how to add some embellishments and maybe even some improvisation. Bring a harmonica in the key of C if you have one, or another key if that's all you have. It's ok to attend if you don't have a harmonica and just want to listen in to get an understanding of how to play tunes on the harmonica
