“Squeezebox from Scratch”

Tutor: Squeezebox from scratch

Description

Another chance to try melodeon or have a 2nd lesson. Squeezebox from Scratch travel the land with a wagonload of loaner Hohners for you to borrow, and get a feel for, during the class. There's no need to read music and you don't need any previous playing experience – so you don't have any excuses, come to this workshop and be enthused.

Ed Rennie & Helena Painting, are all about making music accessible. Aside from writing his melodeon tutor books, Ed has taught his learning system (aka “Rennie tab”) at festivals up and down the land since 2005. He has had a real blast bring squeezy joy to the masses, starting countless beginners on their musical adventures. Recently he teamed up with Helena Painting and together they offer a range of workshops for melodeon players from absolute beginner to improver level as well as sessions covering complementary skills such as learning by ear. You'll find them under the 'Squeezebox from Scratch' banner, teaching at major folk festivals such as Sidmouth Folk Festival, Shrewsbury Folk Festival, Chippenham Folk Festival & IVFDF (Inter Varsity Folk Dance Festival) and this year, Bunkfest. Ed runs progressive group lessons in the colder months with Melodeons in Devon while Helena also teaches at events such as the annual Melodeon Playgroup and melodeon weekends organised by Bellows and Buttons.
