## ***“Interwoven tunes and tales”***

**Tutor: Donnelly & South**

### **Description**

Spent a few years at school with the violin or just keen to start from scratch this beginner's class will guide you through all the things you need to know to get serious about the fiddle. Note: there is a dearth of fiddlers in the area so it's the go-to instrument to learn. If you want to improve your existing skills or make the transition from the violin then Pete Cooper has done it so has the knowhow and has his class on Sunday morning.

### **Lauren South**

Lauren is an accomplished singer, songwriter, and multi-instrumentalist renowned for her original compositions and traditional melodies. With the accompaniment of tenor (4 string) guitar, fiddle, and shruti box\*, her songs exude heartfelt emotion and vivid imagery, drawing inspiration from her passion for the nocturnal heavens, the natural world, and her journey through motherhood. Beyond her solo endeavours, Lauren is an enthusiastic collaborator and constitutes half of the dynamic new duo, Donnelly & South. Her debut solo album *Tiny Boat* was released in November 2023. Check out her web site for tunes and lyrics.
